**BUY YOUR KID A SUZUKI AND WE'LL
GIVE YOU THE GEAR FOR FREE.**

{HEY, YOU GOTTA DRESS THEM WHILE YOU STILL CAN.}

Suzuki knows that keeping kids in cool gear is a tough job for any parent. That's why right now during the Suzuki Pre-Holiday Holiday Promotion,

JR50

we will give you all the coolest stuff we can, absolutely free. Just buy a DS80 or QuadSport® 80 ATV and we'll give you \$200 towards anything in our store. Or for younger kids who

DS80

have been saving up to help buy a JR50, we'll give you \$150 worth of accessories. Choose from helmets, jerseys, boots, gloves and more. Just get to a participating Suzuki dealer by

LT80

December 31st and see for yourself. This could be the first time you get them an outfit that they're not in a hurry to take off.

CALL 1-800-828-RIDE OR VISIT US ON THE WEB AT WWW.SUZUKI.COM FOR MORE INFORMATION. At Suzuki, we want every ride to be safe and enjoyable. So always supervise young riders. Review the owner's manual with your youngsters and always inspect your Suzuki before each ride. The QuadSport 80 may be used only by those aged 12 or older. Adults must always supervise riders under 16. Suzuki highly recommends that all ATV riders take a training course. We'll even pay for it. For safety and training course information, see your dealer or call the SVA at 1-800-852-5344. ATVs can be hazardous to operate. For your safety, always wear a helmet, eye protection and protective clothing. Never ride on public roads. Never carry passengers or engage in stunt riding. Avoid excessive speeds. Be extra careful on difficult terrain. Along with concerned conservationists everywhere, Suzuki urges you to "TREAD LIGHTLY" on public and private land. Preserve your future riding opportunities by showing respect for the environment, local laws and the rights of others when you ride. Accessory offer valid 8/1/99 through 12/31/99. \$150 accessory offer for JR50, \$200 accessory offer for DS80 and LT80. See participating dealers for details. Accessories depicted are for illustrative purposes and may exceed \$150. Restrictions apply.

Neptune is the 8th planet of the solar system and was discovered in 1846. Its mass and composition is similar to that of Uranus. Its thick atmosphere of hydrogen, helium and methane give it a bluish color. Like other gaseous planets, Neptune rotates rapidly, once every 16.1 hours. Its temperature is about 60K, higher than

expected for a body so far from the sun. It is possible that Neptune has an internal heat source. Its center is probably rocky and surrounded by water, ice and liquid methane, which are surrounded by hydrogen and helium gases. Neptune has 8 known satellites. Triton is the largest and revolves around Neptune in a direction opposite to that of most other satellites in the solar system. Nereid, the second largest, revolves in the normal direction but in a very strange orbit.

Hamburg, Germany gave the hamburger its name - a flat cake of chopped meat cooked on a grill or hot-plate. From Germany it came to America, where it became famous before going back to Europe, along with American "french fries." The frankfurter got its name from Frankfurt, Germany - a sausage made from finely chopped meat and put into a soft skin. This may be a frankfurter, but I call it a "hot dog"!
